

OCABS Charter School

September 9, 2009: Announcements

- Step Up Camp/September Break is this week. Several math students are to attend camp. If you have not received a note from Mrs. Poag, our Math teacher, about camp please call the office.
- Congratulations to our computer teacher, Mrs. Lisa Edwards on the birth of her son, Asher Edwards on September 4, 2009. Mrs. Kim Pollard will be the substitute computer teacher while Mrs. Edwards is on maternity leave.
- Student Orientation. All students must attend Orientation. Students who registered after the start of the school year did not get to attend Orientation, so we are offering make-up sessions during Step Up Camp week. A note was sent home to select a time to attend. Please call the office if you do not receive the note. Remember, all students must attend Orientation.
- OCABS has an open campus for 12th grade students in good standing (both academically and attendance) and for our night students. The campus is not open for other students. But, all students may leave campus with their parents for lunch. Just remember to sign out at the front desk. Lunch break is 12:13 to 12:57. Also, students may leave with other adults during lunch IF THE STUDENT HAS A NOTE FROM HIS/HER PARENT. Please be sure the note has that day's date, the name of the adult and the parent's signature.
- Read the *Choosing Civility* book. All OCABS students are required to read and study the 25 Rules of Considerate Conduct in this book. If you have not received a copy of the book, please contact the office.
- Band begins next week on Monday and Thursdays from 5:00 to 7:00. Mrs. Bonnie Kimbrough is the instructor. Guitar will also be taught.
- The OCABS Key Club is recruiting new members. The annual dues are \$30. This fee included a Key Club t-shirt. Key Club is the largest high school service organization in the world with over 250,000 members. Check with OCABS Key Club President Kaylin Gann for a registration form.
- BEST Robotics Team is forming. The BEST Kick-Off is Saturday morning at 8:30-noon on September 19 in Jonesboro at ASU's Student Union, 3rd Floor. See the BEST display in the Oasis for details and to sign up for the team. Please ask Chris Brasher or Shawn Ruminer for details.
